Construction has begun on ND Highway 21, near Flasher

Construction has begun on ND Highway 21, near Flasher. Work will consist of road widening and asphalt overlay between the Junctions of ND 31 and ND 6. A box culvert extension and two bridge deck overlays will also take place.

During construction:

- Speeds will be reduced through work area
- A width restriction of 10.5 feet will be in place at bridges
- Flaggers may be present
- Pilot cars will be present
- Motorists may experience slight delays

The project is expected to be complete at the end of October, weather permitting.
